MISSISSIPPI COLLEGE

Hampstead Academy has lived through the trials of the years, from its inception in 1826 to its 125th anniversary as Mississippi College, and will continue its growth

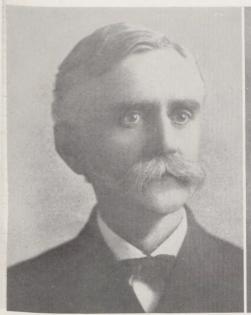

GUIDED BY 15 GREAT MEN.

Mississippi College has been guided through the years of uncertainty, turmoil, crisis, and war by outstanding men of sturdy character, calm determination, and spiritual vision, whose names are now woven into the great tradition which

OUR

PRESIDENTS

is ours. As molders of character, builders of spiritual strength and intellectual power, and because of the inspiration of their lives, these men are remembered by their many students and are known throughout our state.

Nelson Hall

A GROWING ENDOWNERS

Mississippi College is proud of its physical plant which includes not only the sentinel of the past, the pre-Civil War Chapel, but also the heralds of the future, Nelson Hall, Hederman and Gunter Halls, the library addition, the

Graduate Work

Mississippi College develops a well-integrated personality including the students' intellectual, physical, religious, and social natures. It inspires and trains the students to seek truth and beauty through the finer thing of life.

A GREAT

COACH STANLEY ROBINSON

Mississippi College is noted not only for its many winning teams and outstanding athletes, but also for clean Christian sports and high athletic ideals which have been carried over our state by many who have gone to direct the athletic programs of other schools. Unlike many present day colleges,

HERITAGE IN ATTICS

Mississippi College balances its sports program with all college activities, rather than allowing it to dominate any of them.

THE GREAT SCHOOL SPIRIT

ALMA MATER

Fairest of all is our dear Mississippi, Rising in state as the crest of a hill; Staunch as a rock is our dear Alma Mater, Round her so noble our hopes ever live.

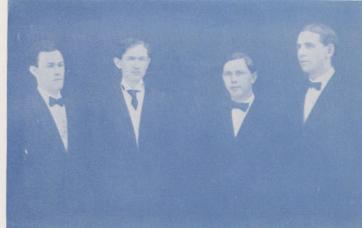

When in the future our hearts may be yearning, For the bright scenes of our dear college youth, Back to thy portals our memories turning; Clear gleams thy beacon of virtue and truth.

M. C., we hail thee, our dear Mississippi, Queen of our hearts, no foe shall alarm; Faithful and loyal thy children will ever Cherish thy mem'ry, acknowledge thy charm.

MISSISSIPPI COLLEGE

OUR PRESIDENT

It is only fitting that such an adept president as Dr. D. M. Nelson should be at the helm of our school in its 125th anniversary year. In his 19th year as president of the college, Dr. Nelson can look back upon his success and achievements with great pride. The student body commends him for his accomplishments and capable leadership.

THE 1950 FOOTBALL SEASON

With a six game win steak and an overall six-two won and lost record, MC's Choctaws had one of their best seasons in recent times. Only one-sided losses to Florida State and Arkansas A. and M. marred the schedule.

When practice began early in September, prospects were not too bright. Coach Stanley Robinson had only a handful of returning lettermen. Mixing them with freshmen, transfers, and some much improved men from last year's B squad, Robbie produced a winning grid machine.

David Lee, unanimous All-Dixie choice for the second straight year and named to one All-American squad, led the Chocs from his vital fullback spot, calling signals, doing almost all of the passing and punting, and much of the running. Lee scored eight touchdowns himself and passed for five more.

Also placed on the All-Dixie first team was James "Foots" Wilson, tackle, who played outstanding ball all year. Named to the All-Dixie squad's second team were Bill Cassel, halfback, Murphy Lowther, guard, Gene Allen, center, and Leonard Macunas, end. Lee was named captain of the All-Dixie team by virtue of his unanimous selection.

Permanent co-captains of the MC 1950 squad were James Wilson and Murphy Lowther.

Opening their season with only two weeks of practice, MC's Choc's ran up against an unexpectedly tough opponent when they met Arkansas A. and M. at Monticello, Arkansas.

The Arkies wasted no time, running up a 14-0 lead in the first five minutes, Running from the split-T, they gained 20 yards on the first play, passed for 30 more, and then scored from the one. After an exchange of punts, MC's safety fumbled, setting up A. and M.'s second touchdown.

Midway in the second period, Anderson, Arkansas' great quarterback, gathered in a punt and sprinted 80 yards for six more points.

six more points.

MC's defense stiffened in the second half, Anderson did break away for one more score after he attempted to pass and, finding no receiver open, decided to run with the ball.

Minutes later MC made its only threat of the night when James Wilson blocked an A, and M, punt on the fifteen, but penalties set the Braves back.

Anderson's passing, he completed 10 of 15, and running provided the winning spark for Arkansas.

Charlie Fail gained 60 yards on eight attempts for the Chocs. Bill Cassel racked up 50 and Dave Lee 40. Lee, Fail and Bill Causey shared the punting duties, averaging 40 yards per kick, Lee got off one beauty good for 50 yards.

The Choctaws opened their home season with a decisive 20-7 victory over Union's Bulldogs, Playing on Robinson Field, the Braves broke a 7-7 halftime deadlock and completely outclassed the Bulldogs in the last two quarters.

The Chocs opened fast, driving 91 yards for their first score. Bill Cassel highlighted the march with a 20-yard dash to the ten, and then went over from the four. Causey kicked the extra point.

Just before the intermission, Union passed to the five, scored, and made the extra point to tie the game.

Bill Wilson blocked the opening kick off, and Mike Mullins recovered it on the MC 40. Two running plays netted nine yards and then Dave Lee hit end Walter Holland with a perfect pass and Holland sprinted the remaining 40 yards to score. Causey again converted.

Early in the final quarter Lee flipped a shuffle pass to Bill Lowe, who went for 20 yards to the fifteen. Lee carried the rest of the way for the final touchdown.

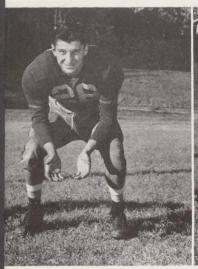

Lee led the Brave offense, passing for 96 yards and one score and running for 76 yards and another score. Bill Causey and Bill Cassel shared the spotlight with Lee; Causey kicking two extra points, intercepting two passes, and making some beautiful-punt returns. Cassel gained 86 yards, caught two passes, and scored once.

Mike Mullins and Burl Denson led the line defensively. Billy Roberts and Stan Martin were the backfield aces on defense and Bill Wilson, Gene Allen, and Murphy Lowther were outstanding both offensively and defensively.

In their annual duel with their Methodist rivals the Braves emerged victorious for their third straight year. Playing on Robinson Field, the Chocs battled to a 19-7 victory to give the Majors their only defeat of the year. David Lee spelled the difference for the Braves, He ran for 97 yards, right through the middle of a Millsaps line that had been laying for him all year, and passed for 89 yards more. He scored MC's first touchdown and passed for the other two in addition to doing some beautiful signal calling and out-kicking the Major's ace, Johnny Miller, in a game long punting duel.

Terrific blocking by MC's offensive line made possible the 12 first downs picked up by Lee and Bill Cassel who rushed for a 78 yard total, Gene Allen, the Wilsons, James and Bill, Murphy Lowther and Wade Bass all played a bang up game.

The defense, while allowing the Major's single wing to gain in midfield, held when it counted, throttled Major's to make their lone score on a long run by Johnny Miller, Mike Mullins, giant guard, was playing great football until injured late in the second quarter. At one point he made three tackles in a row, causing the Majors to punt. Linebacker Billy Roberts, end Bobby Hannah, and Fred Tann were also very effective on defense.

First Quarter: M.C. kicked off. On the first play Len Macunas dropped a Major back for a 15-yard loss. Two plays gained nothing and a weak punt gave MC the ball on Millsaps 35. Lee and Cassel moved the ball to the one and Lee bucked over to score. Causey converted. Late in the period Millsaps recovered a fumble on the MC 35. They drove to the 20 but Gene Allen intercepted a pass on the 12.

Second Quarter: Millsaps opened another drive that carried to the MC 8, but Bob Hannah pounced on a fumble on the 12. Midway in the period Van McNeil returned a Major punt to the MC 48, Lee tossed a beauty to Walter Holland on the 30. Holland eluded two men and went all the way, McNeil stalled another Major drive late in the period when he intercepted a pass on the MC 20.

Third Quarter: MC got the ball on their 20 after the kickoff was downed in the end zone. They failed to gain and punted out to the Majors 45. Miller went off tackle, reversed his field, and went all the way to score. Williams converted and the count was 13-7.

With the ball on their 20 the Chocs rolled 80 yards for their last T.D. Lee and Cassel alternated to the 18. Lee faked a handoff to Cassel and then passed to Bobby Clark who stepped over to score.

Fourth Quarter: The last period was scoreless with the Majors making the only scoring threat, which was stopped when Rooster Case recovered a Millsaps fumble on the

Completely outclassing their opponents all the way, MC's Choctaws turned in their second straight victory on Robinson Field by romping over Marion 40-6.

David Lee reeled off 40 yards early in the game of the Chocs first six points. Minutes later Burl Denson recovered a Marion fumble on the Marion 23; Lee carried to the three in three tries then handed off to Charlie Fail who went over to give the Braves, after Causey kicked the extra point, a 13-0 lead.

A long drive, capped by Bill Cassel's one yard scoring plunge, brought the Indians their third marker, Causey again converted, leaving the count 20-0.

At this point Marion's fine quarterback Megginson opened up a passing barrage that moved the ball to the one, from which point fullback Cox scored.

Just before halftime MC struck again, Starting on their own 12 they went 88 yards on a drive that was high-

lighted by Van McNeil's 21 yard dash off right tackle. Lee topped the drive with an eight yard scoring toss to end Bobby Hannah.

After the intermission Marion managed to hang on and hold the Chocs scoreless during the third period but in the final quarter MC scored twice more, Lee scoring from the eight to climax a 65 yard drive and Causey scoring from the one.

Lee was the leading ground gainer for the night with 219 yards and two touchdowns rushing and 72 yards and none touchdown passing. Bill Cassel, Charlie Fail and Van McNeil also aided the cause, chalking up 147 yards and two touchdowns. Bill Causey added 10 points to the scoring column, making a touchdown and kicking four extra points.

The defense team played brilliantly, especially the line, which held Marion to 50 yards on the ground and threw the Cadets for losses eight times.

Coach Robbie's Choctaws could do no wrong as they chalked up their third victory of the season over Southwestern University in Memphis, Saturday, October 14.

The Chocs broke the Lynx back with three quick touchdowns, the first three times they had possession of the ball, and then coasted on in, Dave Lee scored two of the first three touchdowns to lead the Choctaw scorers.

Mullins kicked off for MC, Two plays later Van McNeil intercepted a Lynx pass on the SW 35, Lee, Cassel, and Fail moved the ball to the one, Lee plunged over and Causey converted, Mullins' second kickoff went out of the end zone. The ball was brought back to the twenty and on the first play, Lowther recovered a SW fumble on the 25, Henderson and Black moved the ball to the 13 and Lee went off tackle for the remaining distance.

Southwestern drove to the MC 25 and fumbled, MC recovered and drove back 75 yards to score with Scrawny Henderson going the last 15 yards to cross the double line, Midway in the third period SW had a drive going.

Passes and running plays had placed the ball on the MC Passes and running plays had placed the ball on the MC 25. Then came the game's most thrilling play, SW's Crumby threw a looping pass. MC safety man Bill Cassel made a shoestring catch on the 15, ran the ball back to the 35, was hit, and lateraled off to Bill Causey. Causey, with plenty of interference, went the remaining 65 yards to score and kicked the extra point himself.

Late in the same quarter a bad punt by SW's Smith gave MC the ball on the SW 34. Lee, Fail, Henderson and Black carried to the one and Black went over standing up. Causey again converted to finish the afternoon's scoring.

ing.

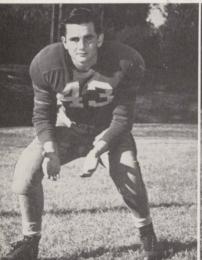

The reserves played most of the fourth quarter and were held scoreless. It was a team triumph for the Choes. Everyone played heads up ball. The defense was very effective. They recovered five SW fumbles and intercepted three passes. "Rooster" Case, Billy Roberts, Hansel Thornton, and Gene Allen, plus the ever reliable Wilson boys, Bill and James, effectively bottled up the Lynx, holding them to six first downs.

MC's homecoming game, which was highlighted by the halftime crowning of football queen, Jerry Benton, featured a hard fought 13-6 victory over the University of the South from Sewanee, Tennessee. The Chocs broke a 6-6 deadlock midway in the fourth period with Dave Lee's 12-yard pass which, though deflected found Len Macunas in the end zone. Lee completed nine passes for 92 yards in the last quarter. in the last quarter.

The Choes took an early lead in the first period when Mike Mullins hopped on a Sewanee fumble on the Tiger 30. Fail and Lee carried to the 20, Cassel went 18 yards to the two, and Lee plunged over.

The second and third quarter featured great defensive play on both sides. Late in the third period a 15-yard penalty gave Sewanee the ball on MC's one-yard line. After four downs the Braves defensive team had shoved them back to the six. Lee punted out beautifully to Mul-

kin on Sewanee's 45. Mulkin gathered in the punt, picked up perfect blocking, and raced back 55 yards for a touchdown.

down.

The Chocs took the kickoff and with Lee passing to Macunas, Henderson, Rogers, Black and Hannah drove downfield to the Tigers ten. Here they were stalled by a 15-yard penalty. Sewanee punted out to the 50 and MC, with more Lee passes, drove back for the final score on a 12-yard pass, Lee to Macunas. Causey kicked the extra point. MC's defensive play was terrific led by the Wilson boys, Mike Mullins, Bill Lowe, Gene Allen, Rooster Case and Freddy Tann the defensive team held the Tennesseans to 60 yards total offense and 3 first downs. The Tigers gained only 31 yards rushing and, due to MC's tight pass defense, completed only two of twelve passes for 29 yards. Lee paced the Choctaw offense with 65 yards rushing and 112 yards passing. Van McNeil's one long run, which pulled MC out of a hole in the fading minutes of the game, was good for 35 yards and second place in yards rushing. MC's offensive gains totaled 294 yards and 10 first downs.

In what was undoubtedly their most thrilling win of the year, the Choes came from behind in the late part of the last period, scored, and then held off a last minute desperation drive to defeat Howard College's Bulldogs 7-6 in Birmingham Saturday, November 4.

MC kieked off, Howard pushed for two first downs before being halted, MC couldn't go and punted out from their own 28. After another exchange of punts Howard received the ball on their own 35. On passes, pitchouts, and off-tackle smashes they marched to the one where Wallace plunged over. On the try for extra point there was a slow placement of the ball and Bill and James Wilson came through to break up the kick.

Early in the period Howard drove to the MC nine where they were held for downs. The rest of the period was a punting duel. Lee got off one 61-yard punt.

Following half time ceremonies by the MC Band, the Tribe roared back. Taking the kickoff on their own nine, they drove past midfield, mostly on Lee passes, before being stopped. Twice more they drove deep into Bulldog territory, finally being halted on the 17.

During this period MC's defense held Howard to 16 yards rushing, none passing, and no first downs.

Van McNeil gathered in a wobbly punt on the 37. He raced back to the Howard 39 before being stopped. Lee

gained 12, passed to Hannah for 8, hit the line for 4, 2, and then 7 yards. Hannah, running left half, picked up 2, Lee gained 3 more, and then plunged over to tie up the

Causey came in for the extra point attempt. Allen snapped the ball to Rogers who placed it, Causey kicked, and the Chocs went ahead 7-6.

Five minutes were left in the game when Gene Allen kicked off. MC's defense held and the Bulldogs were forced to kick. The Chocs started a small drive of their own when Lee got loose for 23 yards. They stalled and kicked to the Bulldogs on the Howard 35. On desperation passes, Howard penetrated to the MC 5 where it was first and goal to go. The first play gained two, the second carried to the one foot line but the left side of the MC line pushed them back to the two. The Bulldogs had one more down but before the ball could be snapped the officials signalled the game's end.

David Lee was again the big gun for the Indians. He gained 70 yards rushing and 58 through the air. His passing for the night was perfect, 10 passes attempted, 10 completed. Much credit is also due to Lee's receivers who, despite almost freezing weather and a muddy field, did not bobble a single pass. Walter Holland and Jim Henderson led the receivers with four and three catches respectively.

In their final game Mississippi College's Choes ran up against a powerful foe and received a crushing defeat from the Florida State Seminoles.
Florida State University scored once in the first period, twice in the second, and twice again in the third. The punt returns of safety Tom Brown, set up most of the Seminole touchdowns.

David Lee, Bill Cassel, and Bill Lowe were the offensive leaders for the Braves.
On the Choc's first play Cassel broke loose for 26 yards only to be downed from behind by the last Seminole.

After the Floridian's first score Lee sparked a 76-yard drive that carried to the eight.
Lowe came in the closing minutes of the game and, passing and running, pushed a drive to the Florida State University's ten where time ran out.
Lee and Lowe completed 18 passes that, combined with the rushing of Lee and Cassel, racked up 14 first downs to the Seminoles in that department.

Hit hard by graduation and Uncle Sam, Coach "Lefty" Fulton's Choctaw cagers came out on the short end of a 6-17 seasonal record. The picture is not as dark as it seems, however, for almost all of the varsity squad will return next season; most of them being freshmen this year with three more years of eligibility.

When the season opened, only three men were back from last year's squad, and only one of these, Bob Smith, had been a first stringer. Walter Ahrens and Gene Allen, the other two veterans, had seen much game time as reservists.

reservists.

Taking these three, a transfer student, and a first year man, Coach Fulton whipped together a starting lineup that won two of its first five games. Then Uncle Sam beckoned and three men were called into service. First string center Buford Langston and reserve guard Bobby Clark left when the 31st Division was activated and guard, J. C. Nails, received his call into the Air Force. The combine that Coach Fulton finally settled upon consisted of Bob Smith at center, transfer Jim Dukes and "Shotgum" Ahrens at forwards, and freshmen Lewis Myers and Johnny Byrd at guards.

Dukes, Smith and Ahrens were the Braves' chief basket blasters, all of them hitting over the 30 point mark in

at least one game, Dukes finished with the season's high total, 394 points, followed by Ahrens, 306, and Smith, 304. The Chocs opened the season with a three game trip, dropping one game to Ole Miss, and taking wins from Memphis Navy and Southwestern, Dukes was high point man for the trip getting 14 points against Ole Miss, 32 against Southwestern, and 24 against Memphis Navy.

A two-game series with Louisiana Tech followed and the Chocs dropped both ends, Ahrens and Smith were the leading scorers, Ahrens getting 21 in the first game and Smith 15 in the second.

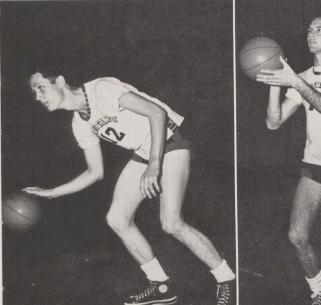

With the coming of the Yuletide holidays, the Mississippi College Indians started their annual northern trek. They received three stunning defeats, but some consolation was found in the fact that all three of the Yankee teams were among the nation's leaders. Millikin University won the NAIB tournament and Lawrence Tech was invited to the NIT. Dukes was high point man for the Chocs in all three encounters.

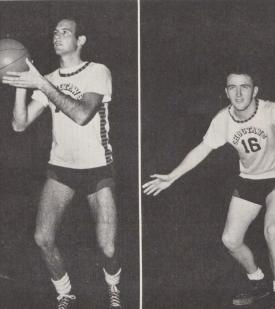

The Choctaws opened the new year the right way with a 75-65 triumph over Memphis Navy. Bouncin' Bob Smith had a field day, hitting from all angles for a 30

The first of the annual four game series with Millsaps saw the Braves roll to an easy victory. It was "Shotgun" Ahrens' night to shine and the tricky forward got 30 points, though playing only three quarters of the game. The Choes had almost a thirty point lead midway in the third period and the reserves played the rest of the game. A clash with Mississippi State's Maroons showed the Indians how hot one team can get as the Cow College boys raced to a 103-52 victory. Ahrens got 21 points for the Choes.

Two more decisive defeats followed the trouncing by State. Birmingham Southern and Howard rolled over the Choes, both displaying smooth working combines. Dukes got 25 for the Tribe in the Howard game and Smith was high point man the following night with 17.

The second clash with the majors was a real thriller, Mississippi College trailed most of the way but came from behind in the last three minutes for a 62-58 victory. Jim Dukes led the Braves with 21 points, 17 of them in the last half.

the last half.

Southwestern of Memphis was the next and last victim of the Chocs. The reserves played almost half the game and were instrumental in the victory.

A road trip to Birmingham cost the Tribe two more defeats, though they were both close. Howard edged

the Braves 86-82 in the first game. Holding a 45-27 half-time lead, the Bulldogs were almost defeated single-handedly by Jimmy Dukes. The lanky Blue and Gold forward got 32 points in the second half for a 39 point total. Birmingham Southern victimized the Baptist the next night. Bob Smith garnered 24 for high point honors. Sewanee's Purple Tigers froze the ball for almost the last five minutes to down the Redskins 46-44 in a listless encounter at Clinton. The Chocs closed a 10 point gap in the last half only to run into the Tiger's deep freeze. Ole Miss repeated an early season victory over the Chocs in Jackson's City Auditorium on the night of February 12. Florida State's Seminoles, utilizing yankee importations, downed the Chocs the next Friday.

The final game with the Majors was another thriller. The Choctaws led through the third quarter but a late surge by Millsaps' 6 ft., 8 in. center, Wallace, gave them a 67-65 victory. Jimmy Dukes got 20 points for the Chocs. Lewis Myers, frosh guard, who fouled out in the last quarter, was hot as a firecracker in the first period, getting nine points in the first five minutes.

The first round of the Dixie Conference Tournament at Macon, Georgia, saw the Braves drop a 30-18 halftime lead and lose to Florida Southern 54-58. The next afternoon they closed the season with a 69-63 loss to Millsaps which put them out of the tournament.

The 1950 Choctaw baseball squad, posting two victories over the Millsaps Majors, finished the season with five wins and sixteen losses. The Chocs were well-balanced in the infield with converted pitcher, Billy Potter, at the initial sack and Jimmy Pittman at the hot corner. Dave Lee and second baseman, Len McCunas, made up the keystone combination. Billy Causey served as a capable utility infielder. The outer gardens were patrolled by T. T. Dearing and Dick Campbell in left, J. C. Graves in Center, and Roger Zachary in right. Freshman, Bobby Smith, handled the backstopping chores. The pitching staff included right handers Murray, Beard, John Niles, John Paul Rushing, Freddy Hohn, Richard Clements, James Johnson, and Left-hander "Lefty" Jones.

TRACK

With the coming of spring, the Choctaw athletes again hit the cinder path with an ambitious schedule in track and field to face. Coach "Lefty" Fulton's charges opened the season by trouncing Delta State but did not fare too well against the next two opponents. Howard College was the only other victim of the Chocs, although M.C. placed third in the Dixie Conference meet at Macon, Georgia.

In general the most enheartening phase of track at M.C. in 1950 was the individual performance of several men. Captain Jimmy Stribling turned in some fine work in the quarter mile, being undefeated except in the conference meet, where he garnered a second place. Sprinter Charlie Bush was a valuable newcomer to the varsity squad as was Boone Shelton,

Murphy over the low hurdles

middle-distance man. Hainon Miller's eight straight wins in the mile picked up some valuable points, and Howard Sessums looked good as conference low hurdles champ. Hurdler Joe Murphy was probably the most improved man on the squad as the season closed. In the field Raymond Stratton was outstanding in the high jump and the javelin toss. Wayne Black and D. D. Kennedy aided by annexing points in the pole vault with Kennedy also handling the broad jump. Veterans Duey Hatton, Bill Cassel, Mike Mullins, John McDaniel, Lucian Stratton, and Bob Smith, along with freshmen Arthur Compere, John Fore, Bobby Hannah, Bill Causey, and Walter Holland aided in giving the Choctaws much-needed depth.

TENNIS

The Choctaw tennis team of 1950 was the first organized varsity team since World War II. Dr. W. O. Sadler, who had coached the team in former years, and Professor Albert T. Scroggins, a newcomer to Mississippi College, handled the team. Considerable progress was made during the year although no matches were won.

The team made a week's swing through Florida but found Florida Southern, Whiting Field, and Pensacola Navy too strong. Other teams played later were Florida Southern, Howard, Delta State, Mississippi State, Millsaps, and Mississippi Southern.

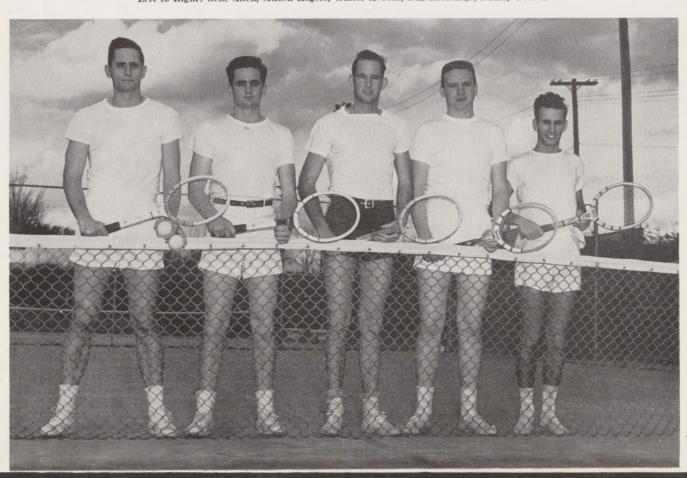

An important change regarding letters was made. The Athletic Committee decided to award the Varsity M on the basis of team participation rather than individual performance. Letters were earned by Gene Allen, Dudley Pearce, Walter Ahrens, Milben Rogers, and Ben Kitchings. Other netmen who competed in matches were J. T. Gilbert, Ralph Marston, Bill Davis, and Bobby Odenwald.

At the 1951 winter meeting of the State Intercollegiate Tennis Association held in Jackson, Professor Scroggins was elected secretary of this organization for one year.

The Student Body Government of Mississippi College has as its prime objective to work for the betterment of Mississippi College so as to best fuflfill the needs of the student. The Executive Council, made up of the officers of the Student Body and representatives from each of the classes, serves to take up all matters necessary for the welfare of the student body. Led this school year by Jimmy Stribling, the Executive Council has undertaken several projects for the good of the Mississippi College

students. Bringing to Mississippi College the Blue Mountain production, "A Midsummer Night's Dream," providing for new records in the cafeteria monthly, and sponsoring the collecting of money for the families of students who were burned out by the Hillman fire are a few of the major projects the Council has undertaken. The Council feels that it has been an honor to serve the Student Body and wishes to take this opportunity to thank the students for their cooperation in all its activities.

Once again the TRIBESMAN is ready to make another appearance. (A slight liberty has been taken here as it is only February at the time of this writing. Who knows, the deadline may not yet be reached?) The year has been one fraught with blood, sweat, and tears. Blood when we met the increased cost of printing; sweat when we tried to obtain workers who would work;

tears when we saw some of Joe Imm's pictures.

Besides the staff, much credit is due to Dr. and Mrs. D. M. Nelson in providing historical data, and to Dr. C. L. Deevers for his contribution of campus pictures.

If it could be said that an inanimate object has personality, truly and scientifically speaking, and if one were to seek an object that would more clearly typify this fact than any other object; he would have to look no further than the college newspaper. The college paper moves and pulsates with the movement, growth and activity of each person who comes in contact with the college it represents.

This year, under the editorship of Albert Roberts, Jr., the COLLEGIAN picked up the spirit of the new school year right at the start with such stories as "Chocs Down Majors in 19-7 victory" or "M. C.'s Favorites Presented As 'A Garden of Roses'."

M. C. paused a moment to take a more positive look at "Maximum Christianity Applied" and at the same time the campus became a marshmellow world

of snow and ice and "Historic Hillman Building Burns." Then finally came "Candidates Announce for Student Body Offices," and "Graduation Exercises, Monday, June 4."

Twenty-eight times across the pages of the COL-LEGIAN the story of life at Mississippi College was told by fellow students who aside from their other activities spent a large amount of time gathering and presenting in black and white just what was happening in each nook and corner of your campus.

This year staff members of the COLLEGIAN who had taken an active interest in the paper were awarded keys for the first time in the history of the publication. Through the diligent work of the staff and the able supervision of Professor Scroggins of the Journalism department, the COLLEGIAN has been available to you throughout the 1950-51 session.

The purpose of the 1950-51 ARROWHEAD is to be representative of the whole student body as well as to be a vehicle of literary expression. The staff has tried to do this by encouraging contributions from all talented persons, adding more pictures, and introducing articles of interest, as well as high class jokes and cartoons.

Many people have either volunteered their

work or been drafted to write either poems, short stories, or articles for the ARROW-HEAD who are not members of the staff. Pete Walker, Dave Callahan, Bert Powell, Mary Jo Cannon, Bill Wilson, Robert McRae, Earl Williams, Joy Morgan, Pinckney Keel, H. R. Denhan, Lurline Martin, Ira Bright, Paul Lee, Joe Mizelle, and John Campbell have all used their creative ability to help make the ARROWHEAD a success.

THE PUBLICATIONS COUNCIL

The Publications Council at Mississippi College coordinates and promotes the work of the three student publications: the *Mississippi Collegian*, the *Arrowhead*, and the Tribesman.

Composed of faculty members appointed by President Nelson; editors, and business managers of the three publications; and student body officers, the council discusses and formulates plans to improve the content and administration of the publications.

Realizing that the purpose of the Collegian, Arrowhead, and TRIBESMAN is to mirror the

spirit, reveal the journalist and creative talent, and record the history of Mississippi College students, the council seeks to create among students a greater awareness of the importance of service on the three staffs, and it tries to maintain at all times the highest standards of writing and editing.

With the advent of the new Department of Journalism directed by Professor Albert T. Scroggins, an increasing spirit of interest and cooperation has characterized the entire area of publications

TRIBAL **PLAYERS**

The Tribal Players is composed of those students who are interested in dramatics. The group is under the leadership of Mr. and Mrs. Hollis Todd. Interesting programs given at each meeting are centered around speaking, read-

Two major productions were sponsored by the Tribal Players this year. The Rock by Mary Hamlin, the first religious drama presented by Mississippi College, was based on the life of Simon Peter. This was given in several

churches near Clinton and in the high school auditorium at Vicksburg. The other was the comedy She Stoops to Conquer by Samuel Johnson. This was in colonial costume and

quer by Samuel Johnson. This was in colonial costume and also was taken on the road.

Mrs. Todd supervised the designing and making of the costumes. She directed both plays. Mr. Todd directed the construction of the scenery and the lighting effects.

Several pieces of equipment were added to the dramatic department during the year. Among these were dimmers, flats, and a costume wardrobe.

Then the eleven disciples went away into Galilee, into a mountain where Jesus had appointed them. And when they saw him, they worshipped him, but some doubted. And Jesus came and spake unto them, saying, all power is given unto me in heaven and in earth. Go ye therefore, and teach all nations, baptizing them in the name of the Father, and of the Son, and of the Holy Ghost: Teaching them to observe all things whatsoever I have commanded you: and, lo, I am with you alway, even unto the end of the world.

Students on the Mississippi College campus who are concerned about the advancement of the Lord's Kingdom have joined themselves together in an organization called the Volunteer Mission Band. These students meet weekly to hear reports about missions activities, to pray, and to participate in inspirational programs. Using the College as its base, the VMB centers its missionary efforts in the vicinity of Jackson.

During the week days the Crippled Children's Home, County Jail, Old Men's Home and Charity Hospital are visited where students are given the opportunity to witness for Christ, On Sunday the program is well filled beginning with a Sunday School held at the Old Ladies Home, songs and personal witnessing at the Veterans' Hospital and City Jail that afternoon, and ending with a preaching service at Oakley Training School.

The Chorale Choir of Mississippi College is probably one of the most representative organizations on the campus. Every department of Mississippi College is represented in the 120 members of the choir. This group is made up of students with vocal ability who are interested in singing and becoming acquainted with good chorale literature. Recordings of hymns made by this group were used on the Mississippi Baptist Hour last year, and thus, by means of radio, they helped in sending the story of Christ into many homes otherwise not reached.

Well known for its Christian spirit, stirring music, and spiritual interpretation, is the Robed Choir of Mississippi College. The Robed Choir is made up of a select group chosen from the Chorale Choir. This group is in great demand over Mississippi and surrounding states. The members of this choir tour these states giving concerts and using their voices to spread the story of Christ through the medium of choral music. Last year the Robed Choir gave forty full concerts and appeared on several state-wide programs, secular as well as religious.

THE MISSISSIPPI COLLEGE BAND

This year the band has seen much improvement and progress under the direction of Mr. Walter Duda.

Mr. Duda came to us from the University of Illinois, where he served as a critic teacher. This is his first year with the Mississippi College Band, and already the band has grown both in quantity and quality.

Mr. Duda's pleasing personality and Christian attitude have encouraged many talented

students to join the band. His emphasis on intonation and breath control has done much to add depth and quality to the band as a whole. The addition of new uniforms has given the band a new brightness in public appearances.

Mr. Duda has many ideas and ambitions for the band in the future, and we know with much hard work and fervant praying our band will see immeasurable progress.

The Mississippi College "M" Club has had a very excellent year. The Club sponsored a talent show that was a great success. The Club has meetings every two weeks where problems pertaining to athletics are discussed.

The "M" Club provides a common ground for all those who have earned the varsity "M" to meet. The members are preparing for every occupation from lawyers to farmers.

The Club consists of men who lettered in every one of the five major sports, baseball, basketball, football, track, and tennis. These men played not for material aid but because they loved the game and wanted to play. They consider their time spent in participation in a sport valuable to the making of a well rounded life. Their enjoyment of it, the team co-operation learned from playing, and the satisfaction gained from spirited competition is pay enough.

HERMENIAN LITERARY SOCIETY

The ninety-eight year of the Hermenian Literary Society has been a very successful one because of the combined efforts of its officers and members. The purpose of the organization is to acquaint the members with all forms of literary expression and to give them a chance for developing their own form of public speaking. The programs have been interesting and included a wide agenda of diversified activities. The Hermenian Literary Society will continue to serve its members and Mississippi College by providing for them an outlet for self-expression and training for better citizenship.

The Philomathean Literary Society has completed its ninety-ninth year of existence on Mississippi College's campus. The activities of the Society for the 1950-'51 season have been under the able leadership of Carl Black, who with the other capable officers and co-operation of the members, has promoted a program of activities which will help each member meet his role in the world of today.

It has been the aim of the society to give each member a knowledge of parliamentary procedure, public speaking, and debate.

Through its forensic program the Society has upheld not only the truth and virtue of Mississippi College, but also the exalted position of the oldest organization on the campus—the Philomathean Literary Society.

The Pre-Law Club of Mississippi College embraces the various phases of law and public affairs and endeavors to provide valuable aid to students intending to become members of the law profession. One of the newer organizations at Mississippi College, it includes not only pre-law students as such, but also students who are interested in increasing their value to society through learning about our system of justice and public life. The club has been successful in promoting informative lectures, moot trials, and other programs of current interest.

HOLLANDALE, MISSISSIPPI

Some 64 miles north of Vicksburg on Highway 61 is located the thriving city of Hollandale, Miss. The rich black soil along the banks of Deer Creek where this agriculture center is situated is universally conceded to be one of the most fertile regions in the world.

Long ago this townsite was part of a large plantation owned by the late Dr. T. W. Holland. In 1885 when the railroad came here over right-of-way donated by Dr. Holland the small settlement which resulted was named in his honor; and now after 65 years of steady growth Hollandale has come to encompass some 3,000 industrious Delta folk and many progressive business concerns.
